

## **Position paper (Policy statement)**

### **GPH Model United Nations 2019 | 6<sup>th</sup> – 8<sup>th</sup> of February 2019**

Is a brief overview which clearly outlines the delegate's strategy vis-a-vis the committee issues and the country that is being represented. It indicates to Chairpersons whether or not the student is on track. It is a valuable early warning sign if something is amiss. More importantly, whether the position paper is demanded or not, its use will serve as an important organizer from which the delegate may maintain consistent direction.

**All of the delegates have to write a policy statement for each committee.**

For further information how to write a policy statement:
